Dear David, Grant, and Charles:

Enclosed is the revised agenda for the December meetings of the Pacific Study Group of the Senate Armed Services Committee. Please distribute copies of these agenda within your agency as appropriate.

The scheduling of the last two sessions is highly uncertain. The attached schedule suggests 11 or 18 December for the third session and the 12 or 19 December for the fourth session. This is a slight change from the dates that we discussed at our meeting on Wednesday, November 22. I hope to be able to finalize the dates and times for these last two sessions by November 29.

Our meeting on Wednesday was most useful. Thank you for your thoughtful suggestions.

Sincerely,

  
James R. Locher, III  
Professional Staff Member
